

April 25 2003.

**World Trade Organization
External Relations Division**

To Whom It May Concern,

We are hereby requesting the NGO registration form for the fifth Ministerial Conference of the WTO that it will take place in Cancún from September 10-14, 2003.

In order to continue and professionalize our mission, that it consist in giving the facilities to the rural people to organize their trade activities with the international principles of how to be competitive and successful maintaining a human sense of trade, we want to participate as NGO **Tierra Humana A.C.** at this conference.

Tierra Humana A.C. has been founded at January 20th 2003 here in Cancún as a result of the necessity of this touristic destiny to diversify his industry and his rural people with the support of the local different sectors; the industry, the government and the society, we thing that in this way; all together for the wellbeing of all, we can have a better and intelligent trade in the world.

We'll really appreciate to assist, giving you thanks in advance.

Please send the related forms to Tierra Humana A.C., with address at Súper Manzana 51 MZ 44 #12 Cancún Quintana Roo, México C.P. 77533

Best regards from Cancún México.

Tierra Humana A.C.
